

Class Schedule Fall 2011 & Spring 2012

- * **Regular Registration deadline is one week before class begins.**
- * **Late Registration may include additional charge, if spots are available, can be done up to 1st day of class.**
- * **A deposit is required to hold your spot. Remainder balance must be within first week of class. DEPOSITS ARE NON REFUNDABLE; because that spot could have been filled by another student. Only in extreme cases, credit may be issued towards a future class.**
